

MOUNTAIN LAKES FALL 2026 THE STEM + SPORTS EXPERIENCE

In partnership with TJD Sports Academy

Grades 2-6

Participants will enjoy the perfect blend of education and sports in this unique 90-minute program. Each class includes 60 minutes of hands-on STEM activities featuring exciting projects in science, technology, engineering, and math, followed by 30 minutes of fun sports and movement games. This engaging program promotes creativity, problem-solving, teamwork, and physical activity in a fun, interactive environment.
