TO: Honorable Mayor and Borough Council

SUBJ: Manager's Report for the Borough Council meeting of March 13, 2023

CC: Robert Oostdyk, Borough Attorney

**2023 Budget Changes** – Two changes to the proposed capital budget have been made. The first, for the Bathymetry Survey, has been increased by \$25,000 to account for an increase in costs due to the survey needing to be completed by a licensed surveyor. The second, for the Mountain Lakes Train Station Rehabilitation project, funding for this has been removed from the budget since the amount needed for 2023 is within the amount available in open capital accounts.

**Fee Ordinance Amendment** – I am requesting an amendment to the Borough's fee ordinance to accommodate a fee for unscheduled and manual water meter readings, with the fee being set at \$50.00. The fee will match the Borough's fee for final water meter readings. The requested fee is in line with the costs incurred by the Borough and is in line with neighboring communities. The fee ordinance amendment is on the meeting agenda for introduction.

**Water Meter Project Update** – Meter replacements began February 6<sup>th</sup>. As of Wednesday, March 08<sup>th</sup>, 516 water meters have been replaced. There have been no reported issues to date.

## Follow Up

**Overview of IT / Computer Services Budget** – Attached, please find a breakdown of the annual costs incurred by the borough for IT / Computer Services.

**Joint Insurance Fund Alternatives** – Alternatives to the JIF include applying to another Joint Insurance Fund or seeking coverage on the open market for each line of insurance needed (workers compensation, liability, professional, auto, etc.). Both options involve hiring an insurance broker and advertising requests for proposals (RFP) for each line.

Should you have any questions, please feel free to contact me.

Respectfully,

Mitchell

## BOROUGH OF MOUNTAIN LAKES

## **Recreation Department**

# Department Activity January 2023

The Recreation Commission met on January 17<sup>th</sup>, 2023. We welcomed new Commission member, James Aitken and new Council member liaison Melissa Muilenberg. The meeting was centered around the pickle ball courts. We agreed to meet at the current tennis courts to discuss the feasibility of adding new courts the location. The Commission does not want to paint lines on the current basketball court as all agreed that the basketball court is utilized by basketball players year round.

3 members of the Commission, Councilperson Muilenberg and BOE liaison Leininger met at the tennis courts on January 21. We discussed the possibility of painting lines on the tennis courts or building new pickle ball courts on the place adjacent to the tennis courts.

However, if the Council would like to build new Pickleball courts, the space adjacent to the current tennis courts is recommended. It was also discussed to add some parking spots on Morris Avenue. DPW assistant Forman asked Bill Ryden about the feasibility of parking spots, and he said it is an option to explore.
